## GENERAL INFORMATION

HUNTABLE SPECIES:	<b>Antlerless deer only! All other hunting licenses are invalid for this hunt.</b>
REQUIRED LICENSE:	<b>The managed hunt (antlerless) permit is not a stand alone permit. Each hunter must also purchase a valid deer hunting license for a regular season (firearm, combo, archery, or antlerless).</b>
FIREARMS:	Same as statewide regulations.
SPECIAL ASSISTANCE:	Successful applicants may bring an assistant with them. <b><u>ONLY</u></b> the successfully drawn applicant may carry a firearm.
MANDATORY CHECK IN & OUT:	All hunters will be required to check in and out at the permit booth at the main entrance to the park.
PERMITS:	Permits will be issued to you upon check in. You must carry your issued permit with you during your hunt period.
LICENSE & PERMIT RETURNS:	The managed hunt permit and any unused licenses must be returned upon leaving the park. Failure to return unfilled licenses on time may result in ineligibility for future permits. Deer hunters having any outstanding licenses for any of the 2009 managed hunts will not be eligible for managed deer permits in 2010.
HUNTER ORANGE:	Follow statewide regulations. All hunters will be required to wear hunter orange. Multiple orange garments are recommended for better visibility.
BUTTON BUCKS:	Hunters are encouraged to carefully look at antlerless deer before shooting to minimize the chance of harvesting a button buck or young male. This hunt is designed to manage the deer population in the park. Harvesting an adult doe is the best way to accomplish this objective.
SHOOTING HOURS:	A ½ hour before sunrise to a ½ hour after sunset. Hunters will be allowed in the park one (1) hour prior to shooting hours and must leave the managed hunt area by 1 ½ hours after shooting hours.
SCOUTING:	During normal park hours of 8:00 a.m. - 10:00 p.m.
PORTABLE BLINDS:	Only portable blinds are allowed. Ground blinds of down dead material are not allowed.
TREE STANDS:	Not allowed.
BAITING:	Not allowed.
GUT PILES:	Gut piles will not be left within 50 yards of established trails.
DEER CHECK:	Hunters are required to check harvested deer at the permit booth located at the main entrance to the park. Biological data will be collected to improve our deer management program.
<b>SAFETY:</b>	<b>The park will be open during the hunt to other visitors who may not be wearing hunter orange.</b>
